## “Nothing About Us, Without Us” – Disability inclusiveness seminar

There is no greater disability in society, than the inability to see a person as more.

Disability cannot stop me from becoming a complete personality”

A hero is an ordinary individual who finds the strength to persevere and endure despite overwhelming obstacles.

Today I choose life. Every morning when I wake up I can choose joy, happiness, negativity, pain... To feel the freedom that comes from being able to continue to make mistakes and choices – today I choose to feel life, not to deny my humanity but embrace it.”

Saint Giles believes that all people deserve a life of worth- filled with opportunities and responsibilities.

In celebration of Women Day, Saint Giles ladies, had a fabulous Women Day lunch. The day was filled with laughter, words of encouragement, fun and games.

We were blessed by the presence of two ladies who are Board Member, who came and celebrated the day with us.

“You may encounter many defeats, but you must not be defeated. In fact, it may be necessary to encounter the defeats, so you can know who you are, what you can rise from, how you can still come out of it.” — Maya Angelou
